

## Crown Optical Discount Vision Services

HealthLink offers an optional discount vision services program through Crown Optical. 100% enrollee paid, the program is available to your health plan enrollees who are enrolled in a HealthLink program. Your enrollee simply presents his or her enrollee ID card to take advantage of the discounted services.

### Key Features

- Discount Card Program
- 64 Crown Optical Locations in Missouri, Illinois and Eastern Kansas
- Discounts on Eye Exams, Frames, Contact Lens and Lens Treatments
- OSHA-Approved Safety Eyewear Plan

### TAKE A CLOSER LOOK.

**Significant Savings.** The Crown Optical discount program provides savings on eyeglass exams, contact lens and frames, including OSHA-approved safety frames. Enrollees can contact Crown Optical by phone at 1-800-475-6320 or online at [www.crownoptical.com](http://www.crownoptical.com).

Crown Optical is a leading vision provider in the HealthLink service area, with 46 Missouri locations, 14 Illinois locations and four locations in Eastern Kansas.
